Portfolio: https://tgheadle1371.github.io/thomasPortfolio/

Web developer with a passion for sustainable living and helping others. Marine Corps Veteran. Bachelor of Science in Environmental Policy and Management. Over a year of start-up operations and account management experience. Attended a full-stack software development coding boot camp through the University of Denver to create web applications on operational efficiency ideas. Equipped with a plethora of skills needed to create environments that bring happiness and purpose to the lives of other users.

Technical Skills

HTML, CSS, Bootstrap, Materialize, JavaScript, jQuery, AJAX, RESTful API's, Firebase, Wix, and Wordpress

EXPERIENCE

Oh My Green, Denver, Colorado
Happiness Ambassador, Warehouse Associate, Driver, 2017 - Present

Assist operations manager with day to day tasks to ensure operations run efficiently. Working independently; inventory warehouse, receive products, stock products, and distribute products to sites in a safe and efficient manner.

While on client sites; provide service to two accounts, Lyft and Plenty, maintaining weekly and monthly budgets, controlling inventory pars, and positively influencing office manager and employee customer satisfaction on a day-to-day basis.

ADDITIONAL WORK EXPERIENCE

City of Lakewood, Lakewood, Colorado
After-School Program Group Leader, 2017-2018
Provided on-site supervision for program participants, ages 11 to 15 years old, at Creighton and Carmody middle schools. In a professional manner, ensure the health, safety, and well-being of participants at all times.

United States Marine Corps, Twentynine Palms, California
Combat Engineer, 2010-2014
Squad leader, in charge of 14 marines health and well-being at all times for the duration assigned to Squad Leader billet. Instructed, demonstrated, and ensured proficiency in various skills and abilities needed for pre-deployment, deployment, and post-deployment operations.
